Male population of Dharmapuri District : 774,303

Female population of Dharmapuri District : 732,540

The average literacy rate is 68.54%

Your Impact

Take Senthil, for instance. He discontinued studying at the government school because he was teased and ill-treated by his seniors. His mother and father work in Bangalore on a daily income basis. Hence, work and income are sporadic. Creating more stress for the family is the fact that his father is a drunkard. He has missed two years of his school life and after coming to the AIM for Seva Free Student Hostel, he has enrolled in Class 8. A good student who has beautiful handwriting, explain the co-ordinators.
