Your Impact

P. Srawani joined this hostel in 2007 and admits that she is extremely happy. "I have learned so many things, like music, songs, discipline and respect for others. Before coming to this hostel, I was an unruly child and would not listen to anyone. I come from a poor family and this hostel has helped me a lot. Today, I am studying in 2nd year in college. I scored 92% in the college exams and want to become a computer engineer."
