Your Impact

Radhaben (16), Sumanaben (16), Asmitaben (15), Vandanaaben (15), and Jyotsnaaben (15) come from different villages in the Narmada District. Living in AIM for Seva's Free Student Hostel, the girls have developed a bonding that will last a lifetime. They have shown a keen interest in cultural activities and have been encouraged by teachers and the hostel coordinator to take the stage and present their talent. While Radhaben won first prize in the game of Kabaddi, memory competition and mehendi design, Sumanaben brought home the first prize in essay writing. On that same day, Asmitaben, Vandanaaben and Jyotsnaaben walked into the hostel carrying their trophy for the storytelling competition, debate and bhajans respectively.
