

**AIM for SEVA**  
Educating Rural India

## Seva Niketan AIM for Seva Chatralayam for Boys

Student Strength: 20

### ACADEMICS

All the students living in this hostel are showing a marked improvement in their academics. They do their homework regularly and have been faring well in their periodic examinations at school.

### CELEBRATIONS

Be it Founder's Day, Diwali, Holi, Independence Day or Ganesh Chaturthi or a birthday, our students make sure they enjoy every moment with their friends in the hostel.

### ENVIRONMENT

Students are encouraged to clean the hostel and its surrounding clean and green. The hostel is surrounded with trees. They water the plants in the garden in front of the hostel and get very excited when they see the flowers bloom and the vegetables grow.

### YOGA

Yoga helps our students in their physical and mental well-being. A regular practice is helping them to do better in all activities.

### ALUMNI

Across all our hostels, our alumni have found their own direction. Shubham Sharma from this hostel is about to complete his B. Com this year. Alongside his studies, he helps the students in the hostel in their academics. Interestingly, Shubham also gives tuitions to other students and this gives him an earning of Rs. 25, 000 per month.

### SELF-AWARENESS

Students are made aware of crisis management and sustainable development through various camps, workshops and interaction with volunteers and donors. Some of them made a first-aid kit for themselves and their friends after a workshop in their school.

### INNOVATION

Education broadens the mind and triggers our students to think differently. Dilkumar who lives in the hostel and also helps in the operations, is a tech buff. He created a 3D animation video which otherwise takes 100 man-hours to make.
